STIPULATION

1. The Court has set April 25, 2016 as the sentencing hearing in this matter following a finding of guilt on January 25, 2016 to Count One of the Indictment, Felon in Possession of a Firearm, based upon a stipulated facts bench trial.
2. Defendant is also charged in the San Francisco Superior Court with a variety of felony and misdemeanor charges arising out of the same conduct that serves as the factual basis for the federal charge and sentencing guideline enhancements herein. It is anticipated that Mr. Gibson will resolve these state charges contemporaneously with the imposition of sentence in this case.
3. The defense requires additional time to provide the State Assistant Public Defender representing Mr. Gibson with necessary materials to facilitate and finalize that resolution. Additionally, defense counsel intends to file a sentencing memorandum in this case 14 days

1 before sentencing and requires additional time to do so.

- 2 4. Given the seriousness of the charge herein and to facilitate the defendant's request, the
3 government does not object to defendant's request to continue the sentencing hearing date
4 and stipulates to continue sentencing until May 9, 2016 at 2:30 p.m.
